

The Academic College of  
Tel Aviv-Yaffo  
Presents:

# INNOVATION BOOTCAMP

INTENSIVE SUMMER  
STUDY PROGRAM

AUGUST 15-24 2021

**Want to know why Israel is known as the "Start-Up Nation"? How about the difference between Entrepreneurship and Innovation?**

**Come experience Innovation Bootcamp: A 10-day Intensive Summer Study Program. Participants will complete 1 full academic course and create a business proposal to be presented to an executive panel (4 ECTS).**

**The Innovation Bootcamp targets students interested in entrepreneurship, innovation, artificial intelligence, and working in the innovation ecosystem.**

**This program is like no other, where learning comes alive beyond the classroom and awakens all the senses. Immerse yourself into the rich cultural history and learn how it has influenced the transformation of Israel into the fast paced high-tech leader of today.**
