

## DEPARTMENT OF EARLY CHILDHOOD EDUCATION AND CARE

### COURSES OFFERED FOR ERASMUS+ PROGRAM

International students who come to the University of West Attica with the Erasmus+ program can choose one of the courses of the Department of Early Childhood Education and Care. The support they will receive will take the following form:

- 1) Contact with the lecturers of the courses they will choose. Entirely in English or in French in the case of some of the courses offered;
- 2) Individual consultation meetings with the lecturer of the course (mentoring) on all issues related to the course throughout the semester.
- 3) Provision of notes/support material (in English or French, as appropriate) related to the understanding of the course content.
- 4) Carrying out an educational activity (assignment or project) in the foreign language of choice (English or French) to assess the student in the selected course(s).
- 5) Meetings with other students attending the course to encourage the international student to establish positive relationships with the group of Greek students through the engagement with some common educational and social activities.

**\*\*\*IMPORTANT NOTICE:** The above details about the support the Department of Early Childhood Education and Care provides to international students must be incorporated in the online learning agreements.
