

## ERASMUS+/ICM INTERNATIONAL WEEK 2024

### APPLIED PRACTICES OF INCLUSION AND EQUITY IN EDUCATION

Making higher educational systems inclusive and connected to society, requires providing the appropriate conditions for students of different backgrounds to succeed. According to the European pillar of social rights,

*"Everyone has the right to quality and inclusive education, training, and life-long learning in order to maintain and acquire skills that enable them to practice fully in society and manage successful transitions in the labor market."*

Participating universities' cases, strategies, activities, and implemented policies for an equitable and inclusive environment are highly welcome.

**18–22 November 2024**  
Campus "Egaleo Park"

Incoming staff mobilities will be granted by the Erasmus+/ICM programme, funded by the European Union.
