What is the E+/ICM Educational Week

- ▶ A week-long event that will showcase the importance of teaching, learning and innovation, highlighting the incredible work educators and students do to create a brighter future through education.
- ▶ Began as an initiative to promote the United Nations' Sustainable Development Goal 4 (SDG4): Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all. <https://sdgs.un.org/goals>
- ▶ Created to focus on helping educators and future educators sharing innovative teaching ideas in a non-native language (foreign language - English).

With an emphasis on enhancing learning opportunities for all participants, irrespective of their backgrounds, the goal is to draw attention to the finest practices in education.
